EDUCATION

Mumbai	Mumbai University	2023 - 2027

- **Bachelors of Technology (Btech)** in Electronics & Computer Engineering from **Pillai College Of Engineering, New Panvel**
- Scored **70% in 12th HSC** from PEST College of Science, Kopri Thane(E) — **May 2023**
- Scored **80% in 10th SSC** from Saraswati Education Society and Jr. College — **June 2021**

TECHNICAL EXPERIENCE

Projects

- **Mail Assist Web-App** (using Next.js, Supabase, and Resend API): Users can send emails anonymously, create and use predefined or custom email templates, and track sent emails. The app also supports batch emailing by manually entering data or uploading a CSV file (MailAssist)

- **Coursely Web-App** (using Next.js, Supabase, and Tailwind CSS): A platform where users can browse and access educational courses. It supports user authentication, course tracking, and a clean, responsive UI (Coursely)

- **LeetDash Platform** (using MERN STACK for frontend and backend, GraphQL a query language and server-side runtime for application programming interfaces (APIs)) User can check its Leetcode progress using Dashboard and an user friendly interface (LeetDash)

ADDITIONAL EXPERIENCE AND AWARDS

- **Technical** team member at **CSI-PCE** (Navi Mumbai, New Panvel).
- Participated in **Hack to Crack 1.0** organized by ViMeet college and secured Top-10 position.
- Participated in **SIH** Secured **Waitlisted** Position.
